Please note: PE/ Wellbeing sessions will be arranged by the PE teacher or Wellbeing co-ordinator Ms Maher.

Timetable Guidelines:

1. Students will be expected to spend the time given to each subject on each day working at that Subject. They are being treated if they are at school but working from home.
2. Teachers will give work for each session and tell students how long it will take to do the work, where they will find help, and give the students regular feedback on their work.
3. School rules apply to students in terms of effort made, engagement in and completion of work.
4. Students work will be monitored by their individual teachers. Note of work and student progress will be taken by their subject teacher and noted on VShare.
5. Work at home will form a large part of their Spring Mid Term Report
6. Any concerns please contact your Year Head/Mr Lynch.
